Swine House Signature Menu

All Swine House Barbecue plates come standard with coleslaw and your choice of one side. Coleslaw may be substituted with another side for \$1 more. We do not sauce our meats. We leave that up to you. An ample serving of the sauce of your choice is served with each plate.

We cook quantities based on previous event sales. Our typical hours on event days are from 11:00 AM to 2:00 PM. This allows us to serve hot and fresh food to you, our customer.

To better serve you we offer pre-orders up to 10:00 PM on the Thursday prior to each event. We strongly encourage you to take advantage of this and reserve your food on event day.

Pre-Orders may be placed at <http://orders.swinehousebbq.com>.
